Benefits of Sponsorship

This is where we need you! Sponsoring Gelico Gymnastics is an excellent opportunity for your local business to gain access to the families and friends of our more than 300 program participants. Sponsorship of our club gives your business different avenues for your advertising needs; will help bring your name recognition, and demonstrate a visible show of support for our community's health and wellness. Your support will help us to achieve our mission and keep gymnastics available to more families in our community by keeping registration costs accessible. Your support will be added to our operational funds (unless specifically designated). This revenue source allows us to enhance the gymnastics experience for participants by improving our facility, maintain and purchase new equipment to help our athletes stay at the top and train in a safe environment.

Thank you for your consideration!
