

GELICO GYMNASTICS SPONSORSHIP OPTIONS

ABOUT US

Gelico Gymnastics has been around for over 28 years. We have been practicing in the high school for at least 28 years. We have gymnasts between the ages of 2-17. The levels of our club are Parent & Tot, Preschool, Recreational, Pre-Competitive and Provincial 1& 2.

With having to set-up and take down our equipment every night, limited space and practice times, our club out-grew the high school. We needed to get into a facility that we could put a spring floor in so our gymnasts can excel. We are one of the only cities that does not have a typical gymnastics facility. After investing time, fundraising efforts to build our operations bank account & finding a building that we feel suits our needs we are happy to announce we made the big move June 1, 2015 for our upcoming season. This NEW facility allows us to finally get a much needed spring floor which has already been partially sponsored by Innovation Credit Union, an open floor plan & the future to accommodate more gymnasts and offer additional classes without limited practice times. This is a huge step for us and we are looking at any type of sponsorship to help us continue with a bright future in this new facility!

OUR VALUES

In the delivery of every program Gelico is committed to the core values of:

- Striving for and achieving excellence in everything we do
- Celebrating every athletic accomplishment
- Providing a safe, healthy training and learning environment free of prejudice, harassment & bias promoting all the benefits of gymnastic participation
- Ensuring professional, nurturing coaches and staff

BENEFITS OF SPONSORSHIP
